

SHWP 2026 ISOMETRIC PROMPT BY FIZZI

(Sila gunakan Gemini untuk Hasil yang baik)

"An **isometric illustration** of the **[Subject/Building/Object]** on a small, elevated **[Platform Shape/Color, e.g., square gray]** platform. The design should be rendered in a **flat, minimalist, vector-like style** with **clean lines** and **soft, muted colors** (e.g., pale blue, light teal, soft gray). Include a **simplified surrounding context** like **[Simplified Context, e.g., a grassy patch, small block-style supporting structures, or simple, geometric clouds]** in the background or on the platform. The overall aesthetic should be **clean, modern, and stylized.**"

Contoh:

*"An **isometric illustration** of the **Statue of Liberty** on a small, elevated **square deep-blue** platform. The design should be rendered in a **flat, minimalist, vector-like style** with **clean lines** and **soft, muted colors** (e.g., seafoam green, cream, soft yellow). Include a **simplified surrounding context** like **waves** and a **simple ferry boat** in the background or on the platform. The overall aesthetic should be **clean, modern, and stylized.**"*
