**PUBLIC PRIVATE PARTNERSHIP UNIT  
PRIME MINISTER DEPARTMENT, MALAYSIA**

**Waste-to-Energy Public Private Partnership (PPP) Project  
At Kepong Solid Waste Transfer Station  
Kuala Lumpur, Malaysia (the "Project")**

**Contract Notice**

The Government of Malaysia ("GoM") is seeking expressions of interest for the design, construction, operation and financing of a facility for treatment of municipal waste to energy with a processing capacity of approximately 1,000 tonnes per day in Kuala Lumpur, Malaysia (the "Facility").

The Project is being offered to the international market as a public private partnership (PPP) project, secured under a long term concession agreement. As such, expressions of interest are sought and not limited to consortia comprising technology providers, civil engineering contractors, and waste management companies.

The Facility provider will be appointed under a procurement process involving pre-qualification with outline proposals, Request For Proposal and final tenders. The price and quality selection criteria for choice of provider will be set out in the tender documents to be issued to the bidders selected from the pre-qualification stage.

This Pre-Qualification is offered to companies registered in Malaysia or a joint-venture/consortium with at least one incorporated company in Malaysia with 51% of its shareholdings to be held by Malaysian controlled entities. Companies/Consortium members should have relevant experience and qualify to bid under the terms and conditions of this Pre-Qualification.

Further explanation of the Project and tender process are set out in the Information Memorandum, available with the Pre-Qualification Questionnaire documents. The Pre-Qualification Questionnaire documents and Information Memorandum can be purchased and obtained on-line at <http://edokumentender.ukas.gov.my>. The latest date to purchase the said documents is on 14<sup>th</sup> March 2014 at 5:00p.m. (Malaysia Time).

The GoM is inviting interested bidders to complete the Pre-Qualification Questionnaire documents and to make submission of the completed Pre-Qualification Questionnaires documents by the Submission Closing Date and Time: 12:00p.m. (Malaysia Time) on 28<sup>th</sup> April 2014.

The concessionaire is expected to be appointed by March 2015.
